Collect | Crafted Glass Vase SC66—SC68

The glass is mouth blown and hand crafted which ensures that each vase is unique. Examples of characteristics of mouth blown glass are minor air bubbles and variations in form and thickness.

Daily cleaning of glass is best done using a dry, soft cloth. If more severe cleaning is necessary, it is recommended to use a soft cloth in combination with a standard glass cleaning detergent and dry off with a soft dry cloth afterwards. Avoid using abrasive cleaning agents as this will damage the surface. The vase is not dishwasher safe.
