APIALES 1 Brushed Brass/Opal White

Design: Sofie Refer, 2021. EU-model.

Apiales 1 in mouth blown Opal White glass and Brushed Brass finish.

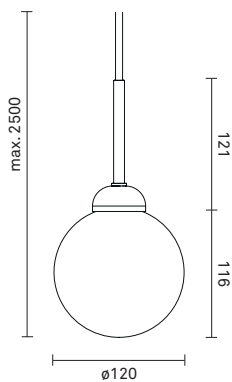

The Apiales collection is designed with inspiration from flowers. The collection consists of single pendants, wall lamps and chandeliers with 9 or 18 mouth-blown glass globes, all available in golden Brushed Brass finish or the smooth Satin Black.

Apiales 1 is a simple pendant with a classic look, available in brushed brass or satin black, both with mouth-blown, opal-white glass globes. The small pendant spreads good light, yet is compact and thus ideal for locations where you don't want to obstruct the view, e.g. over a kitchen island.
