## FRAME SCULPTURE

Clean the cabinet using warm soap water and dry with a soft cloth. Please do not use any chemicals to clean the powder-coated steel.

Please be careful when placing objects on the sculpture to avoid damaging its surface. Carefully arrange the sculpture with the help of another person to prevent scratching the floor, the product or injuring yourself.

Do not place heavy things on the sculpture, as it could tip over or bend the frame. Maximum load capacity is 5 kg.

Don't sit or stand on the sculpture!
